

Salary: Open
Location: Washington, DC
Type: Full Time

Hollister Group LLC is a consulting firm serving the securitization and structured finance marketplace. Hollister's highly experienced professionals provide financial modeling, risk management, analysis and financial services for structured transactions and asset-backed finance. We provide comprehensive project management and business support to assist organizations in aligning business strategies with dynamic markets, evolving government regulations, and new technology initiatives. Our clients include asset originators, servicers, issuers, investors, guarantors and related government agencies.

Core Competencies

- Financial Modeling
- Reverse Engineering
- Model Validation & Governance
- Risk Management & Surveillance
- Securitization & Structured Finance
- Project Management & Execution

Job Description: Senior Consultant / Financial Modeler

- Develop and execute quantitative analysis in support of client projects, working closely with senior professionals from both the client and consulting team.
- Provide specific subject matter expertise, both from professional experience as well as the result of specific research undertaken in response to project needs.
- Coordinate day-to-day activities of the project teams, including the supervision of junior staff.
- Lead task groups in the development and delivery of specific client work.

Desired Background:

- 3-5 years of direct industry or consulting experience in the secondary and tertiary mortgage markets, asset-backed finance, or related capital markets.
- Strong quantitative and analytic skills and demonstrated experience with some range of quantitative analysis tools. Financial / cash flow modeling with VBA, SAS or C++ programming skills a plus.
- Graduate Degree in a quantitative field such as math, engineering, finance, economics, accounting or business. Candidates with an undergraduate degree and exceptional work experience will also be considered.

Candidate Attributes:

- Prior success in project-based team environments.
- Comfort in providing self-guidance in fluid situations.
- Strong organizational skills and attention to detail.
- Excellent interpersonal and communication skills.

Qualified candidates should submit a cover letter and resume to recruiting@Hollisterllc.com. Hollister provides a competitive salary based on experience, as well as a range of benefits.

Required Education: Masters Preferred

Certifications: CFA Charter Holder or Candidate Preferred.

NOTES: Applicants must be eligible to work indefinitely in the United States. The Hollister Group LLC is an equal opportunity employer.
